

RST-SANEXAS Analgesic Spray & Topical Balm

POWERFUL SYMPTOM RELIEF COMBINED

For those hard-to-reach areas and spot-on-treatments

The **Topical Balm** is a premium all-natural, patented technology using polarized Hemp CBD, Arnica Montana, Turmeric, THC Free with a proprietary blend of essential oils providing relief, comfort, and an overall treatment afterglow.

The **Analgesic Spray** contains the same ingredients except it DOES NOT contain polarized Hemp CBD. It is easily absorbed and fast-acting .
